

Total Patient Care LLC

We are pleased to announce that Total Patient Care's new **ChartMaker® PatientPortal** is now available. This online tool gives you the flexibility to access your health information and other resources at your leisure – any time of day and from any location! Since the **ChartMaker® PatientPortal** is available over the Internet, you can use it from virtually anywhere. You can also use the **ChartMaker® PatientPortal** to access information for family members and individuals for whom you provide care, if given permission.

As a patient of Total Patient Care, enrolling in the **ChartMaker® PatientPortal** is free and will allow you to:

- Securely Message with Your Physician
- Request Appointments
- Request Referrals
- Update Personal Information
- Request Prescription Renewals
- View Visit History via Clinical Summaries
- Billing Inquiries

Also, the **ChartMaker® PatientPortal** is completely secure, so you can be confident that your private information is protected. Only you – or an authorized representative – can access your **ChartMaker® PatientPortal**. Remember: treat your health information like your banking information and use caution when sharing with others!

We hope this new tool will help you take an active role in your healthcare. For more information, including enrollment details, please contact Total Patient Care, or do not hesitate to ask one of our staff members about the details at your next office visit!
